

Certificate of Competence

this is to certify that

Nico Litschke

has successfully met the prescribed
requirements for certification as established
by intacs

intacs™

Provisional Assessor

 **AUTOMOTIVE SPICE®**

This confirmation is not an authorization to perform
assessments that are accepted

- by OEMs and suppliers as an evaluation of their
suppliers
- by the VDA as experience evidence for receiving or
maintaining an intacs Competent or Principal assessor
grade which requires a separate certification and
possession of an authorization card.

Conferred by the certification body on

January 2014
